

PICKEREL LAKE PROPERTY OWNERS ASSOCIATION SPRING MEETING

Sunday May 20 10:00 am
at the Sutcliffe's - 168 Lakeshore Rd

Apologies for rather late notice. Victoria Day just crept up on us. After a hard winter, we are all looking forward to a great summer at the Lake.

AGENDA ITEMS:

- * Discussion of blue-green algae bloom-possible guest.
(We are attempting to contact a Science Fair winner - Ann MacFarlane - who won gold with a project on combating the bloom. Just today, we received word from the newspaper reporter who did the original article that she is willing to help get us together, and possibly do a follow up article.)
- * Rehab Center
- * Possible Boat Ramp
- * Ideas to promote Membership in the Association - what we do.
- * Membership/Financial report
- * Proposed Activities this year - discussion and ideas:
- * Picnic Aug 25 - free hot dogs, corn, condiments - "bring your own" salad, dessert, etc. Location to be determined.
- * July 1 - decorated Boat Parade / Poker Run
- * Sept 2 Bottle Drive: To help avoid collection problems as experienced last year with inclement weather, Members are encouraged to cash in their bottles and donate the cash on collection day or before.

Volunteers are required for all of these events.

- * Election: All positions Open.
Currently: President: Herb Sutcliffe 905-382-2767 sleddinheaven@gmail.com

- * Website: Please check it out - particularly the FACEBOOK link. Join the Group. There is considerable activity about goings on at and around the Lake. For Example, Did you see the photos of the pack of Wolves running across the ice?

Following up on our communication last season regarding the future of the PLPOA, we need your input and ideas to move forward.

If you received this by "snail mail" it means we don't have a current e-mail address for you. If you have one you'd be willing to share, we'd appreciate it to expedite communications
