

PICKEREL LAKE PROPERTY OWNERS ASSOCIATION

April 25, 2021

Greetings to all Property Owners

Spring is here, the ice is off the lake - two weeks earlier than ever before - and I'm sure we are all looking forward to an early summer. We hope everyone is well and Covid free.

But Covid can't be ignored. We will not be able to safely have a Member's meeting this spring, nor do we see the possibility of having social events such as the picnic and boat regatta. And the Bottle Drive is cancelled.

Under these circumstances, there will be no Membership dues this year.

We will however, continue to maintain our website and Facebook page to keep communications open. And we wish to announce a new initiative. PLPOA has been informed by Armour Councillor Rod Ward , that as an Association, we are eligible to apply for a **Water Monitoring Grant**, which we will be applying for. This will pay for a more thorough testing of our water quality. Thanks to **Graham Whitwell** for heading up this project and applying for the grant and keeping us informed as to the progress. We will post any further information on the PLPOA Website as we receive it regarding water quality.

We would like to hear from everyone on the lake regarding new ideas for projects, social events and future gatherings. **We need new members on our Executive to take the Association to the next level.**

Think about volunteering.

There has been a considerable change in property ownership on the lake this year. We would like to welcome all new property owners, and we would be interested hearing from them. If you have new neighbours, help us by getting them involved. Tell them about our Website and Facebook page. Contact information for feedback is at the end of this letter.

In closing.....

I would like to thank **Pat and Brian Lower** for all their assistance in looking after our Website and Facebook Page. It's a ongoing job throughout the year.

Fred Edger for all his communication duties.

Brian Lower for all his treasury work.

It is much appreciated.

Stay well, stay safe and enjoy our beautiful lake.

Sincerely

Herb Sutcliffe,

President
